General Vernon A. Walters March 20, 1974  
Deputy Director of Central Intelligence  
Washington, D.C. 20505

Dear General Walters;

10 days have elapsed since I requested, of my Congressman, John Wydler, that he introduce, as suggested by President Richard M. Nixon, a resolution on the floor of Congress, " that our President Proclaim April 20th, & 21st 1974 as WAKE UP! AMERICA Days."

Time is of essence and extremely short. Despite repeated calls( which I cannot afford), to his office and Washington House office, I have no definite answer, and we are being completely "snafued" in completing very important arrangements. Time is awasting and extremely destructive.

The enclosures will explain, partly, our attempt to rehabilitate and bring back our most cherished tradition, PATRIOTISM, by honoring our #ONE Patriot, PAUL REVERE, on the 198th anniversary of his famous MID-NIGHT RIDE.

In the past Governors, Mayors, City Managers and heads of local governments have so proclaimed this day, with fitting patriotic parades, meetings, and prayer services. This year, we feel that our Country, and the Office of The Presidency, and it's courageous occupant, will benifit.

Please, if you see fit, use your good offices, to expidite a favorable action, immediately.

I am enclosing correspondence re: this beautiful American function. Also lyrics of two songs I wrote, that will be sung at our local function by a beautiful local school teacher who will soon be the first female Jewish Cantor. She sings them to a delightfull Hebrew chant.

The enclosures are self-explanatory. I will formally receive The Gen. Eloy Alfaro Foundation awards at one of these functions. I would be flattered if you or one of your representatives could personally make the presentations. Herman Bayern is physically unable to attend, and sends his sincerest regards.

Mr. John W. Wydler, M.C. March 14, 1974  
The House of Representatives  
Washington, D.C.

Dear Congressman Wydler;

As in 1972, I am again suggesting, that you, as my personal spokesman in The House of Representatives, introduce a resolution, on the floor of Congress, in session, that:- President Richard M. Nixon PROCLAIM- Saturday April 20, 1974 and Sunday April 21, 1974 as WAKE UP! AMERICA Days, to commemorate The 198th Anniversary of our #1 PATRIOTS famous Midnight Ride (PAUL REVERE).

WAKE UP! AMERICA Inc. is suggesting the dates of Sat. April 20 1974 and Sun. April 21, 1974, both Sabbath Days, so that religious groups of all faiths might observe- ONE MINUTE OF SILENT PRAYER, FOR DIVINE GUIDANCE ON THE LEADERS OF THE WORLD'S GOVERNMENT, at 11 A.M., on both days.

Our theme, this year will be "ONE NATION under GOD".

We feel that only a return to the Spiritu Principles and Purposes of our Founding Fathers will achieve a return to PEACE, HARMONY and GOD'S GOOD FELLOWSHIP. If we make our PLEDGE of "ONE NATION under GOD" a reality and a sincere and honest example for all mankind, we may have the JOY of soon experiencing, "ONE WORLD under GOD". Let us truly be GOD'S SERVANTS, and I am sure we will reap the fruition, as GOD'S example of exemplary GOOD GOVERNMENT, "OF THE PEOPLE, BY THE PEOPLE, AND, FOR THE PEOPLE".

Many Senators and Congressman will support this resolution. Please, "throw out the ball" at once! Groups are being formed in The Bahamas, Haiti, Switzerland, Sweden, and elsewhere, to support this effort

Lyrics- Song : ONE NATION under GOD"

by Dr. Joseph Robert DIAMOND

August8, 1972

Moses lead his children to Freedom, from material  
slavery and human greed, with the "WORD of GOD".

Jesus lead his people to Freedom, from the temples  
of the Money Changers with the "WORD of GOD".

George and Martha Washington, Benjamin Franklin  
Crispus ATTUCKS, Thomas Jefferson, Robert MORRIS  
Roger Williams, Paul Revere, John Hancock, Betsy Ross,  
The Pilgrims and our Forefathers

Dedicated us to : "ONE NATION under GOD"

Guaranteed to us that the CREATOR endows man with  
unalienable RIGHTS : Life, Liberty and the Pursuit  
of happiness.

In love, friendship, joy and helping one another  
were we conceived; did we prosper and grow to be  
the "Greatest of all Nations".

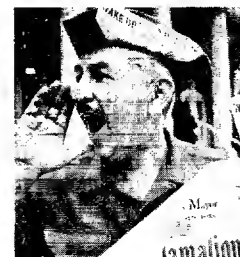

But, we lost our way, when we made money, hate, fear,  
murder, distrust and human greed : our perverted creed.

Let us make our DECLARATION of INDEPENDENCE, Bill of  
RIGHTS and CONSTITUTION live again,  
with love for one another, and we shall then again  
prosper and be loved.

As we serve G O D and our fellow-man in Joy and  
Happiness as : "ONE NATION under GOD".-

President Richard M. Nixon  
The White House  
Washington, D. C.

March 18, 1974  
12.07 noon

Dear Mr. President;

Today is my 68th anniversary of birth.

My conscience, after serious soul searching and meditation, compels me to acquaint you with my reaction to Sen. Buckley's just completed speech, suggesting, and actually demanding that you sacrifice yourself and the Office of The Presidency of my beloved Country, to satisfy the purely selfish desires of the "left wing, inteligencia Press" and the material human greed of the Republican Party.

History repeats, Moses and Jesus sacrificed themselves for the sins of their people. I pray, Mr. President, that you will not permit the Republican Party to offer you up as a "sacrificial lamb", in order to "get themselves off the hook", for their dastardly, greedy, self-seeking, stupid, capers, namely, WATERGATE.

I have always respected you and your wife Pat, as two of the most courageous and Spiritual humans, that ever represented the Leadership of my beloved Country. GOD is testing you. Please, listen to HIM, and he will give you the WISDOM and COURAGE, as he has in the past, to do HIS WILL, as his true servant for your people. My heart prays that you DO NOT RESIGN, and that you carry out the mandate of The American people, so decreed, by American democratic processes, during the last Presidential election. The CROSS is heavy and burdensome. You will glory in the SERVICE of GOD and Your COUNTRY. Your COUNTRY needs Your "GUTS" and Spiritual Courage, to lead it out of the maze of material muck it is foundering in.

My prayer, One Nation under GOD, and soon,  
One World under GOD. Keep Punishing, GOD LOVES YOU.

One Nation under GOD
